Year 2 Exotic Explorers - 6th July 2026

Dear Parents/Carers

We are excited to inform you that Year 2 will be having a very special educational visit! We have arranged for an engaging and interactive "Bug Visit" on Tuesday 6th July 2027. The children will have the opportunity to learn about a variety of fascinating mini-beasts. During this visit, the children will be able to discover the diverse world of insects, arachnids, and other small creatures in an informative and hands-on way.

The session will allow the children to observe these mini-beasts closely, learn about their habitats, and gain a deeper understanding of their importance in nature. There will also be an opportunity for children to stroke and hold some of the creatures, but rest assured, this will be completely optional. Safety and comfort are our top priorities, and the experts leading the visit will ensure that all the children feel at ease throughout the experience.

If you have any questions or concerns about the visit or if your child has any specific preferences (such as not wanting to hold or stroke the animals), please let us know. We want every child to feel safe and comfortable while participating in this educational activity.

We are really looking forward to this fantastic experience and will share photographs of the day on our social media channels and newsletter.

We are asking parents for a £9.00 contribution towards this workshop which can be paid on your teachers2parents app by Friday 18th June 2027.

Any queries, please contact the main office.

Kind regards,

Mr A. Toomer
Head of School
